

The logo for the California Planning & Development Report (CP&DR) features the letters 'C', 'P', '&', 'D', and 'R' in a bold, serif font. The letters 'C', 'P', 'D', and 'R' are each contained within a square frame with a halftone dot pattern. The ampersand '&' is positioned between 'P' and 'D' and is rendered in a stylized, cursive font that appears to be floating or overlapping the frames. Below the logo, the text 'CALIFORNIA PLANNING & DEVELOPMENT REPORT' is written in a smaller, all-caps, serif font.

 Takings suit filed claiming development should be permitted on ag land, JUNE '92 p8
 San Joaquin County approves two new towns, SEPT '92 p3
 Kern County approves San Emidio Ranch Project on ag land, NOV '92 p3
 Madera general plan imposes no land-use designation for ag land, NOV '92 p6
 San Diego measure would rezone last ag land in city, NOV '92 p10
 Sacramento approves development plan for North Natomas ag zone, DEC '92 p3
 Stanislaus County voters reject restrictions on ag land development, DEC '92 p10
 Kern County leads statewide decline in falling assessments for farmland, JAN '93 p9
 New town developers target low-priced ag land, sometimes only for the water rights, MAR '93 p3
 Alameda County and cities collaborate on preservation plan, APR '93 p3
 Appeals Court rules that Yolo County agricultural zoning doesn't constitute taking, JUL '93 p7
 Farmers oppose any changes to traditional flood control, JUL '93 p10
 Voters in Pacifica and Loma Linda restrict development on hillsides and agricultural land, JUL '93 p3
 California Farm Bureau sues Merced and Toulumne counties over changes in agricultural land-use designations, AUG '93 p3
 State Resources Agency challenges Stockton's annexation of ag land for shopping mall, AUG '93 p3
 San Bernardino farmers unite to develop huge agricultural preserve, OCT '93 p3
 Legislative actions from 1993 session, NOV '93 p8, p9
 Sonoma County purchases vineyard to maintain open space, NOV '93 p2

AHMANSON RANCH

County approves controversial Ahmanson Ranch project; environmentalists and County Planning Commission recommended project denial, JAN '93 p3
 Neighboring localities file CEQA lawsuits against Ventura County over Ahmanson Ranch project, FEB '93 p5
 National Park Service deadlines threaten to scuttle land purchase deal, MAY '93 p2

AIR QUALITY

See also CONGESTION MANAGEMENT; TRANSPORTATION

Federal transportation bill provides \$6 billion for "non-attainment" areas to meet air quality standards, JAN '92 p9
 Sacramento's Air Quality Management District to be included in combined city/state transportation planning agency, JAN '92 p9
 New analysis methods required for Interstate 80 expansion in Oakland, MAY '92 p3

EPA must assume responsibility for L.A. air quality plan, AUG '92 p7
 Emissions factors may force changes in transportation, SEPT '92 p1
 Judge orders halt to construction on I-80 expansion project, OCT '92 p6
 Regulations designed to limit emissions from enamel house paints subject to CEQA, OCT '92 p8
 Retail developer to take 260 pre-1972 cars off road to mitigate air pollution, OCT '92 p2
 San Diego TwinPorts airport concept stirs controversy, OCT '92 p12
 San Emidio Ranch developer to buy pre-1976 cars as mitigation measure, NOV '92 p3
 North Natomas development approved, DEC '92 p3
 New town developers offer electric vehicles in effort to lock in entitlements, MAR '93 p3
 SCAG appeal over EPA air quality intervention denied, MAR '93 p7
 Anaheim under close scrutiny over approval of huge Disney expansion, JUL '93 p3
 EIR for San Joaquin Hills toll road upheld, JUL '93 p7
 SB 919 would affect industrial expansion and pollution criteria, JUL '93 p4
 Air Quality Management District won't need EIR to modify paint emissions, NOV '93 p8

ANNEXATION

See also INCORPORATIONS; NEW TOWNS

Susanville annexation compromise forces sales tax sharing with Lassen County, JAN '92 p3
 Yolo County and City of Woodland bargain for sales and property taxes, JAN '92 p3
 Annexations continue at rapid pace throughout state, JUNE '92 p1
 Adelanto and Victorville fight to annex George Air Force Base, JULY '92 p2
 Fresno's city-county tax-sharing deal in jeopardy over annexation, AUG '92 p2
 Court rules that city of Pleasanton cannot influence property within Hayward city limits, SEPT '92 p8
 Tax-sharing agreement between city and county of Fresno falling apart, OCT '92 p8
 Dublin voters reject ballot measures that would have facilitated annexation and development of 3,200 acre ridgeline, FEB '93 p2
 Environmentalists support annexation into existing cities over plans for new town development, MAR '93 p4
 Court reverses San Marino forced-annexation order, MAY '93 p5
 Victorville annexes George Air Force Base, AUG '93 p2
 Fiscal instability deters San Jose from annexing neighboring parcels, SEP '93 p4
 Two major Southern California annexations are in difficulty, SEP '93 p2
 Legislative actions from 1993 session, NOV '93 p8
 Dublin voters approve general plan amendment allowing annexation for East Dublin Plan, DEC '93 p10

ASSESSMENTS

See also EXACTIONS; TAX REVENUE

Falling property tax assessments reflect decline in land values, JAN '93 p1
 State Supreme Court upholds use of assessments for park maintenance, JAN '93 p6
 Irvine Co. seeks lower assessments on its Orange County holdings, APR '93 p2
 Special districts called for to fund military base conversion, APR '93 p9
 Temecula establishes assessment district to finance Wal-Mart incentives package, MAY '93 p2; JUN '93 p12
 School districts win more leeway on assessments, JUN '93 p1
 Legislative actions from 1993 session, NOV '93 p10

ASSESSMENT DISTRICTS

ASSESSMENT DISTRICTS

Metro Rail commercial-only voting scheme upheld by Supreme Court, MAR '92 p7

Court rejects attack on assessment district law, OCT '92 p7

AUDUBON SOCIETY
