Part 5: State Legislation.....	Page 25

Subject Headings

AB 1290

Rep. Phil Isenberg asks state to intervene in suit against Los Angeles Community Redevelopment Agency, FEB '96 p7

Rep. Phil Isenberg criticizes City of Santa Clarita for misuse of redevelopment reform law, FEB '96 p5

See also *REDEVELOPMENT*

ADULT BUSINESSES

Judge strikes down City of Westminster's adult zoning ordinances, MAR '96 p7

AGRICULTURAL LAND

California Farm Bureau Federation supports bill requiring school districts to pay for agricultural buffer lands, FEB '96 p4, DEC '96 sup p6

Resources Agency says state now has 78,000 more acres of wetlands than in 1993, with more than half on Central Valley ag land, FEB '96 p3

Santa Clara River talks seek agreement on "wild" river and wetlands protections for agricultural property to be developed by Newhall Land and Farming Co., MAR '96 p3

Building Industry Association commissions pro-development report supporting urban sprawl and conversion of agricultural land, APR '96 p1

City of Modesto's attempt to extend sphere-of-influence into prime agricultural land is rejected by Stanislaus County LAFCO, APR '96 p2

Rancher not harmed by diversion of water, stream growth in channels, and increased salinity of water supply, appellate court rules, JUL '96 p8

Environmentalists and farmers square off against proposed Gold Rush City theme park in Lathrop's sphere of influence, AUG '96 p1

In a rare display of fraternity, Fresno-area farm and ag groups, the local chapter of BIA, and developers sign letter calling for compact growth and higher urban densities, AUG '96 p1

Ventura landowners seeking to overturn agricultural land protections lose in court, AUG '96 p7

New town of Mountain House seeks to use acreage of minimal agricultural value, SEP '96 p10

New law bans Williamson Act land from redevelopment project area, and tightens restrictions on other agricultural land, OCT '96 p10, DEC '96 sup p9

New legislation requires findings before schools locate in agricultural areas, OCT '96 p10, DEC '96 sup p6

Monterey County voters reject measure requiring voter approval for changes in agricultural land but turn down specific zoning change for Carmel Valley project, DEC '96 p10

See also *WILLIAMSON ACT*

AIR QUALITY

UC Berkeley CEQA-reform researchers note prevalence of regional issues such as air quality, JAN '96 p1

ANNEXATION

Counties help kill bill that would have made it easier for cities to control annexation process, JUL '96 p2

Lathrop wants LAFCO approval on annexation for \$4 billion Gold Rush City theme park development, AUG '96 p2

See also *INCORPORATION; NEW TOWNS*

ASSESSMENT DISTRICTS

Albany voters approve creation of Lighting and Landscaping District to acquire open space and parks, DEC '96 p10

Passage of Prop. 218 may signal an end to this form of infrastructure and support financing, DEC '96 p1

ASSOCIATION OF BAY AREA GOVERNMENTS (ABAG)

ABAG funds two sub-regional studies in East Bay and Sonoma County focusing on urban growth and development, APR '96 p2

See also *REGIONAL GOVERNMENT*

AVIATION

Orange County voters approve plan for commercialization of airport at El Toro Marine Air Base, APR '96 p9; p10; MAY '96 p4

Southern California Association of Governments blasts consultant's study supporting infeasibility of converting El Toro Marine Air Station to civilian use, MAY '95 p4

Controversial plans for commercial airport at El Toro Marine Air Corps station receive another setback in half-hearted appraisals by commercial aviation groups, JUL '96 p4

Fort Ord conversion success includes aviation-related and other commercial leases at thriving Marina Municipal Airport, JUL '96 p4

San Diego plan for Point Loma grapples with expansion of Lindberg Field airport, SEP '96 p4

Mather Air Force Base reports success with two air-cargo related tenants; talks continue with two other major parcel carriers, NOV '96 p4

Voters reject addition of civil aviation at Moffett Field, DEC '96 p11

See also *TRANSPORTATION*

BALLOT INITIATIVES

County-by-county results of March 1996 election, APR '96 p9

Growth measures make a comeback on November ballot; 40 measures appear on local ballots, DEC '96 p1

BASE REUSE

Adelanto faces bankruptcy after fights with Victor Valley neighbors over water supply and closed military base, JAN '96 p1

Sacramento Army Depot conversion success surpasses initial expectations, JAN '96 p4

McClellan Air Force Base moves toward privatization although other Air Force bases may not support conversion, MAR '96 p4

Mather Air Force Base reuse ideas include outlandish theme park concepts as well as plans for world trade center; most likely to succeed is retirement village concept, MAR '96 p4

Orange County voters approve plan for commercialization of airport at El Toro Marine Air Base, APR '96 p9; p10

San Diego voters clarify that San Diego Naval Training Center is within "future urbanizing area", APR '96 p9

City of Vallejo struggles to find replacements for 6,300 jobs lost to closing of Mare Island Naval Shipyard, MAY '96 p4

Orange County NCCP/HCP calls for preservation of 1,000 acres of El Toro Marine Air Station; it's unclear how Interior Dept. will gain land title from Pentagon, MAY '96 p3

San Francisco has upbeat expectations for entertainment and recreation conversion of Treasure Island, MAY '96 p4

San Francisco mayor Willie Brown eyes opportunities for development in Treasure Island, Hunters Point, and the Presidio, MAY '96 p1

Southern California Association of Governments blasts consultant's study supporting infeasibility of converting El Toro Marine Air Station to civilian use, MAY '95 p4

Controversial plans for commercial airport at El Toro Marine Air Corps station receive another setback in half-hearted appraisals by commercial aviation groups, JUL '96 p4

Fort Ord conversion success includes commercial leases at thriving Marina Municipal Airport as well as expansion of Cal State Monterey Bay campus, JUL '96 p4

Long Beach Naval Station is leased in entirety by China Ocean Shipping Company as container terminal, JUL '96 p4

Quick action by Vallejo City Council helps speed conversion and commercial development at Mare Island Naval Shipyard, SEP '96 p4

San Diego approves preliminary plan for Point Loma; creation of Naval Training Center would include recreational, educational, and housing uses, SEP '96 p4

Bill creates uniform procedure for base reuse including relaxation of redevelopment, CEQA, and affordable housing requirements, OCT '96 p10, DEC '96 sup p8

COURT CASES

- State Supreme Court will review case of "de-listing" of Mohave ground squirrel to determine need for EIR by Fish & Game Commission decision, AUG '96 p6
- Ventura landowners seeking to overturn agricultural land protections lose in court, AUG '96 p7
- Anti-SLAPP law doesn't apply to defamation cases, court rules, SEP '96 p8
- California Supreme Court rules that commercial building tenant may seek compensation when building is subject to eminent domain action, SEP '96 p7
- Cities must demand replacement of housing units in coastal zone, court rules, SEP '96 p6
- City has right to impose owner-occupant requirement on second-unit properties, court of appeal rules, SEP '96 p6
- San Diego's sale-leaseback plan for Jack Murphy Stadium doesn't require popular vote, court rules, SEP '96 p7
- Stanislaus County shouldn't have deferred analysis of water supply issues in EIR for controversial Diablo Grande resort project, court rules, SEP '96 p5
- "Incidental take statement" for threatened salmon is subject to environmental review and possibly an EIS under NEPA, NOV '96 p7
- Monitoring wells for analysis of toxic plume don't constitute regulatory takings, court rules, NOV '96 p6
- SLAPP provisions don't apply to private business disputes, appeals court rules, NOV '96 p7
- U.S. Supreme Court will hear Tahoe transfer of development rights case; decision expected by next year, NOV '96 p5

COVENANTS, CONDITIONS, AND RESTRICTIONS (CC&RS)

- State Supreme Court will hear two more CC&R cases, FEB '96 p7
- Supreme Court rules that CC&Rs are enforceable even when not recorded in the deed, JAN '96 p5; FEB '96 p7

CULTURE

- Appellate Court strikes down Fresno-area arts tax, JAN '96 p6
- Expansion of Fresno's Metropolitan Museum heralds creation of cultural district in downtown Fulton District, JAN '96 p12
- "New" information about potential archeological resources is not sufficient to require EIR recirculation, judge rules, FEB '96 p6

DEMOLITION

- City of Los Angeles should have issued demolition permit in apartment complex conversion case, judge rules, MAR '96 p8

DEVELOPMENT AGREEMENTS

- Eagle Mountain Landfill in Riverside County upheld by Appellate Court; development agreement and EIR are adequate for impact of materials recovery facilities (MRFs), APR '96 p7
- Fremont City Council approves Pacific Commons development agreement for largest single business park in Bay Area, NOV '96 p2

EARTHQUAKE

- Santa Clarita's redevelopment plan exceeds quake-damage limits and requires EIR, FEB '96 p5
- Seismic retrofits will add to cost of San Francisco's conversion of Treasure Island and Yerba Buena Island, MAY '96 p4
- Ferndale's recovery from 1992 quake enhanced by community volunteerism, minimal city bureaucracy, and strong focus on historic preservation, DEC '96 p12

EMINENT DOMAIN

- California Supreme Court rules that commercial building tenant may seek compensation when building is subject to eminent domain action, SEP '96 p7

See also *INVERSE CONDEMNATION; TAKINGS*

EMPLOYMENT

See *JOBS*

ENDANGERED SPECIES

- Court backs Republican appropriations rider blocking new listings for red-legged frog and other species, JAN '96 p5
- Orange County releases Natural Communities Conservation Plan/Habitat Conservation Plan (NCCP/HCP) for gnatcatcher habitat area, JAN '96 p3
- Judge strikes down Fish & Game Department blanket disaster exemption, FEB '96 p8

- Property-rights bill by Keith Olberg would compensate property owners who lose value due to Endangered Species Act, FEB '96 p3; p9
- Republican State Assembly retains Dominic Cortese to head Water, Parks, and Wildlife Committee, FEB '96 p1
- U.S. Supreme Court declines to hear Oregon case challenging spotted owl habitat designation, FEB '96 p8
- Building Industry Association commissions pro-development report supporting urban sprawl and downplaying impacts on endangered species, APR '96 p1
- Riverside County adopts long-term conservation plan to protect Stephens kangaroo rat; state and federal governments both make concessions to ease adoption, APR '96 p3
- Appellate court questions Fish & Game procedures on "take" of endangered Stephens kangaroo rat in Riverside County development, MAY '96 p5
- Appellate court says Fish & Game needed EIR to delist Mohave ground squirrel, MAY '96 p5
- Orange County approves Natural Communities Conservation Plan/Habitat Conservation Plan (NCCP/HCP) for 39,000 acres of land owned largely by Irvine Co., MAY '96 p3
- Timber plan for Pacific Northwest in spotted owl habitat upheld by U.S. Appeals Court, MAY '96 p6
- U.S. Supreme Court agrees to hear suit against endangered species by commercial and recreational water users, MAY '96 p6
- U.S. Court of Appeals allows lumber companies to harvest dead, dying and diseased trees on thousands of acres, but prohibits logging on 440 acres of marbled murrelet habitat, JUN '96 p5
- GOP plans to gut Endangered Species Act fall short for lack of support, JUL '96 p1

- U.S. Court of Appeals upholds decision blocking timber sales in marbled murrelet habitat, JUL '96 p6
- State Supreme Court will review case of "de-listing" of Mohave ground squirrel to determine need for EIR by Fish & Game Commission decision, AUG '96 p6

- Resources Agency fine-tunes CEQA guidelines relating to "significant impact" on endangered species and for statewide/local significance thresholds, SEP '96 p3

- Controversial though watered-down Endangered Species Act reform bills get signed into law, OCT '96 p1; p10

- Fish & Game Commission is required to devise recovery strategy for five threatened or endangered species, OCT '96 p10, DEC '96 sup p3

- New bill creates wildlife habitat contract program similar to Williamson Act, OCT '96 p10, DEC '96 sup p4

- New legislation establishes commission to study economic impact of protecting species, OCT '96 p10, DEC '96 sup p3

- Conservation banking programs take off with support of Wilson Administration, NOV '96 p3

- "Incidental take statement" for threatened salmon is subject to environmental review and possibly an EIS under NEPA, NOV '96 p7

See also *ENVIRONMENTAL REVIEW*

ENVIRONMENTAL REVIEW

- CEQA use in California exceeds "mini-NEPA" use in all other states, JAN '96 p8

- City of Malibu approves deadline-driven general plan that prohibits construction in "environmental sensitive habitat areas", JAN '96 p2

- Judge orders state to resume collection of Fish & Game environmental review fee; F&G then asks for repeal of original fee law, JAN '96 p3

- Orange County releases Natural Communities Conservation Plan/Habitat Conservation Plan (NCCP/HCP) for 39,000 acres of land owned largely by Irvine Co., JAN '96 p3

- Supplemental EIS not required for Doppler weather station near Ojai, JAN '96 p7

- UC Berkeley CEQA-reform researchers note prevalence of regional issues such as wildlife habitat, JAN '96 p1

- UC Berkeley researchers call for more predictability in reform of CEQA, JAN '96 p1

- General information is good enough for reasonably foreseeable project, judge rules, FEB '96 p6

ENVIRONMENTAL REVIEW

- In the wake of Republican State Assembly takeover, Sen. Tom Hayden remains as legislature's chief defender of environmental values, FEB '96 p1
- Judge strikes down Fish & Game Department blanket disaster exemption covering endangered species; also cites protections under CEQA, FEB '96 p8
- Santa Clarita's redevelopment plan exceeds quake-damage limits and requires EIR, FEB '96 p5
- U.S. Supreme Court declines to hear Oregon case challenging spotted owl habitat designation, FEB '96 p8
- Activist group's challenge to EIR dismissed because actual landowner wasn't named as defendant in suit, MAR '96 p6
- Mitigated negative declaration upheld in gravel mining case for site on Tuolumne River, MAR '96 p6
- Eagle Mountain Landfill in Riverside County upheld by Appellate Court; EIR is adequate for impact of materials recovery facilities (MRFs), APR '96 p7
- Ehrlich case establishes new land-use regulation rules; fee justification studies for exactions and environmental mitigation seem more likely, APR '96 p5
- Rancho California Water District did not violate CEQA with new groundwater pumping and recharge facilities, court rules, APR '96 p7
- Appellate courts question state practices under California Endangered Species Act and under CEQA, MAY '96 p5
- Castle & Cooke liquidates Bakersfield-area holdings following resolution of homeowner's group CEQA lawsuit challenging shopping center project, MAY '96 p2
- Federal and state environmental agencies launch programs to speed redevelopment of toxic urban "brownfields", JUN '96 p1
- National Park Service didn't need EIS to close GGNRA to mountain bikers, court rules, JUL '96 p7
- City of Los Angeles doesn't have to prepare new EIR on Playa Vista project, AUG '96 p8
- Environmentalists and farmers square off against proposed Gold Rush City theme park in Lathrop's sphere of influence, AUG '96 p1
- Environmentalists sue under CEQA to block San Joaquin County "new towns" of New Jerusalem and Riverbrook; Mountain House not a party to the action, AUG '96 p5
- Los Angeles judge orders EIR must precede demolition of St. Vibiana's Cathedral, AUG '96 p8; p12
- State Supreme Court will review case of "de-listing" of Mohave ground squirrel to determine need for EIR by Fish & Game Commission decision, AUG '96 p6
- Resources Agency fine-tunes CEQA guidelines relating to "significant impact" on endangered species and for statewide/local significance thresholds, SEP '96 p3
- Stanislaus County shouldn't have deferred analysis of water supply issues in EIR for controversial Diablo Grande resort project, court rules, SEP '96 p5
- Base reuse uniform-procedure bill relaxes CEQA requirements for closed base redevelopment, OCT '96 p10, DEC '96 sup p8
- Bill exempts from CEQA review any action taken by public transit agency after July 1, 1995 to implement budget cuts, OCT '96 p10, DEC '96 sup p2
- CEQA revision bill exempts preparation of congestion management plans (CMPs) as required under 1990 gasoline tax legislation, OCT '96 p10, DEC '96 sup p1
- New legislation closes a loophole in time limits placed on CEQA by Permit Streamlining Act, OCT '96 p10, DEC '96 sup p2
- New legislation establishes commission to study economic impact of protecting species, OCT '96 p10, DEC '96 sup p3
- New legislation exempts from CEQA review restoration of existing highway after damage in disaster, OCT '96 p10, DEC '96 sup p1
- Environmental organizations oppose transportation reform efforts that call for streamlining of CEQA review, NOV '96 p9
- Lone Fremont City Councilwoman objects to Pacific Commons business park EIR on grounds of unmitigated traffic impacts, NOV '96 p2
- Neighboring cities file suit against Long Beach Naval Shipyard conversion charging EIR's traffic analysis was inadequate, NOV '96 p4

- Preservationist group files suit against Long Beach Naval Shipyard conversion charging EIR failed to examine alternatives to destruction of 11 historic structures, NOV '96 p4

See also *ENDANGERED SPECIES*

ENVIRONMENT AND ENVIRONMENTALISTS

- Republican State Assembly takeover ousts environmentalist as chairman of Assembly Natural Resources Committee, FEB '96 p1; p9
- El Dorado County finally passes general plan, environmentalists and slow-growth activists initiate court challenges, MAR '96 p2
- Santa Clara River talks seek agreement on "wild" river and wetlands protections for property to be developed by Newhall Land and Farming Co., MAR '96 p3
- Timber plan for Pacific Northwest in spotted owl habitat upheld by U.S. Appeals Court, MAY '96 p6
- Friends of the Los Angeles River threaten lawsuits over new concrete-barrier flood control plans after Los Angeles County breaks off regional negotiations in bad faith, JUN '96 p3
- Santa Monica Mountains land agencies settle long-standing dispute with Soka University for development within mountains, JUN '96 p6
- Republicans now control Coastal Commission, but back off from ouster of executive director Peter Douglas, AUG '96 p1
- San Francisco judge rules that anti-SLAPP law can apply to trespassing suit brought against environmental activists, AUG '96 p8
- California Resources Agency begins placing land-use planning information on World Wide Web site, SEP '96 p2
- Bolsa Chica wetlands restoration guarantees should make environmentalists happy, not sullen, OCT '96 p12
- Sustainability planning offers valuable alternatives to traditional planning and general plan goals, OCT '96 p11
- Conservation banking programs take off with support of Wilson Administration, NOV '96 p3

ETHICS

- Federal Grand Jury continues indictments against City of Clovis councilmembers, mayor, and developers, FEB '96 p2
- San Bernardino City Planning Commissioner charged with conflict of interest following vote against competing business, SEP '96 p2

EXACTIONS

- Appellate Court strikes down Fresno-area arts tax, JAN '96 p6
- New exactions test resulting from Ehrlich v. Culver City requires "rough proportionality" and "reasonable relationship" standards, MAR '96 sup
- Phoenix and Las Vegas are compared to California cities regarding development fees and taxes, MAR '96 p1
- Ehrlich case establishes new land-use regulation rules; fee justification studies for exactions and environmental mitigation seem more likely, APR '96 p5
- Chairman of Joint Committee on School Facilities Sen. Leroy Greene seeks new agreement among builders, schools, and local government on school fees and facility finance, AUG '96 p4
- Loyola Marymount University appeals ruling requiring it to pay school fees to L.A. Unified School District even though university says there won't be more students or faculty, AUG '96 p5
- Bill tightens up reporting and accountability requirements for development fees, OCT '96 p10, DEC '96 sup p7
- New legislation clarifies that AB 1600 school fees can include ad-hoc or ordinance based fees, OCT '96 p10, DEC '96 sup p6

FEDERAL ACTIONS

- Republican appropriations-bill-rider blocks new listings for red-legged frog and other endangered species, JAN '96 p5
- Supplemental EIS not required for Doppler weather station near Ojai, JAN '96 p7
- Federal Grand Jury continues indictments against City of Clovis councilmembers, mayor, and developers, FEB '96 p2
- Riverside County adopts long-term conservation plan to protect Stephens kangaroo rat; state and federal governments both make concessions to ease adoption, APR '96 p3
- U.S. Forest Service is committed to relocating regional headquarters at Mare Island Naval Shipyard, MAY '96 p4

FEDERAL ACTIONS

U.S. Court of Appeals allows timber harvest on thousands of acres, but prohibits logging on 440 acres of marbled murrelet habitat; court says USFWS did not engage in "major federal action", JUN '96 p5

U.S. Defense Department, Transportation Department and Navy provide assistance to Calstart "business incubator" program for Alameda and Sacramento base conversions, NOV '96 p4

FISH & GAME DEPARTMENT

Judge orders state to resume collection of Fish & Game environmental review fee; F&G then asks for repeal of original fee law, JAN '96 p3

Judge strikes down Fish & Game Department blanket disaster exemption covering endangered species, FEB '96 p8

F&G reinstates filing fee for review of environmental documents, APR '96 p3

Appellate court says EIR required for Fish & Game Commission delisting of Mohave ground squirrel, MAY '96 p5

State Supreme Court will review case of "de-listing" of Mohave ground squirrel to determine need for EIR by Fish & Game Commission decision, AUG '96 p6

New legislation requires Fish & Game Commission to devise recovery strategy for five threatened or endangered species, OCT '96 p10, DEC '96 sup p3

See also *ENDANGERED SPECIES; ENVIRONMENTAL REVIEW*

FISH & WILDLIFE SERVICE

Agency is expected to approve Riverside County's long-term conservation plan for Stephens kangaroo rat protection, APR '96 p3

U.S. Court of Appeals allows timber harvest on thousands of acres, but prohibits logging on 440 acres of marbled murrelet habitat; court says USFWS did not engage in "major federal action", JUN '96 p5

Amidst GOP maneuvers to gut Endangered Species Act the Service receives increased funding to oversee the act, JUL '96 p1

GENERAL PLANS

City of Malibu approves deadline-driven general plan that won't provide affordable housing choices, JAN '96 p2

El Dorado County finally passes general plan, environmentalists and slow-growth activists initiate court challenges, MAR '96 p2

Diamond Bar voters reject attempt to create alternative general plan, APR '96 p9

Environmentalists sue under CEQA to block San Joaquin County general plan proposals for "new towns" of New Jerusalem and Riverbrook; Mountain House not a party to the action, AUG '96 p5

In a rare display of fraternity, Fresno-area farm and ag groups, the local chapter of BIA, and developers sign letter calling for compact growth and higher urban densities in Fresno's General Plan Update, AUG '96 p1

Los Angeles' General Plan Framework draws criticism for its lack of focus on demographics of immigration into city, AUG '96 p8

California Resources Agency begins placing land-use planning information, including General Plans, on World Wide Web site, SEP '96 p2

Los Angeles' General Plan Framework seeks to be all things to all constituents, SEP '96 p2

Sustainability planning offers valuable alternatives to traditional general plan goals, OCT '96 p11

Thousand Oaks voters approve measure requiring voter approval for future changes to Land Use Element of General Plan, DEC '96 p11

See also *HOUSING ELEMENT*

GOLF COURSES

Mather Air Force Base reuse plans include outlandish theme park concepts as well as plans for world trade center; most likely to succeed is plan for retirement village adjacent to existing golf course, MAR '96 p4

Napa County voters reject ballot measure allowing golf course development, APR '96 p9; p10

Leases for golf course and to course operator provide some replacements for jobs lost to closure of Mare Island Naval Shipyard, MAY '96 p4

San Francisco considers a golf course among possible conversion possibilities of Treasure Island/Yerba Buena Island, MAY '96 p4

New town of Mountain House includes plans for 2 golf courses among list of recreational amenities, SEP '96 p10

Stanislaus County's Diablo Grande project completes one golf course and begins another although court rules that EIR must be re-done, SEP '96 p5

Fremont land previously zoned for housing and golf courses will site largest single business park in Bay Area, and one golf course, NOV '96 p2

Riverside County voters in Cathedral City reject initiative that would prohibit golf course near Santa Rosa Mountains; voters in Rancho Mirage approve golf course associated with hillside development, DEC '96 p10

Voters in Palm Springs area are split on the question of new golf courses, DEC '96 p10

GOTCH, MIKE

Long-time LAFCO trooper still participates in state and Napa County LAFCO issues, SEP '96 p2, NOV '96 p12

GREENBELT ALLIANCE

Group criticizes Building Industry Association report which supports suburban development and denies impacts to endangered species and traffic congestion, APR '96 p1

Group places urban growth boundary measures on the ballot in Bay Area cities, DEC '96 p10

GREENBELTS

Sonoma County sub-regional group calls for creation of Urban Limit Lines and reviews existing "community separators" (greenbelts), APR '96 p2

San Jose approves "Greenline" boundary around city limits; acceptance symbolizes that city planning has "reached a logical limit", MAY '96 p1

See also *OPEN SPACE*

GREENE, LEROY

Senator authors 3 bills aimed at reform of school financing and procedures, JUN '96 p4

Chairman of Joint Committee on School Facilities still seeks new agreement among builders, schools, and local government on school fees and facility finance, AUG '96 p4, SEP '96 p12

GROWTH CONTROL AND GROWTH MANAGEMENT

El Dorado County finally passes general plan, environmentalists and slow-growth activists initiate court challenges, MAR '96 p2

Saratoga voters approve sweeping growth control measure, APR '96 p9; p10

Slow-growth forces win more than half of local land-use ballot measures in March election, APR '96 p1

Ventura County voters extend Simi Valley growth control ordinance while increasing slightly the number of yearly building permits, APR '96 p9

L.A.'s General Plan Framework targets increased densities in urban centers while preserving auto-oriented residential neighborhoods, SEP '96 p2

Growth measures make a comeback on November ballot; 40 measures appear on local ballots, DEC '96 p1

See also *POPULATION*

HAWKINS, PHIL

Former real estate broker and builder is named by Republicans to Housing Committee, FEB '96 p1

Assemblyman sponsors bill to assist "built-out" cities meet Housing Element obligations, JUL '96 p2, OCT '96 p10

HAYDEN, TOM

In the wake of Republican State Assembly takeover, Sen. Hayden remains as Legislature's chief defender of environmental values, FEB '96 p1

Senator proposes alternative plan for neighborhood councils in response to San Fernando Valley secession movement, JUN '96 p1

Senator helps moderate Republican attacks on Endangered Species Act, AUG '96 p3, OCT '96 p10

San Fernando Valley senator votes in favor of secession legislation, bill dies in Senate vote, SEP '96 p2

HAZARDOUS WASTE

Union Pacific railroad will support clean-up and conveyance to city on most of its former Sacramento railyard, FEB '96 p12

City can't hold up subdivision map while waiting for hazardous waste site ruling on toxics, court rules, MAY '96 p7

Federal and state environmental agencies launch programs to speed redevelopment of toxic urban "brownfields", JUN '96 p1

Monitoring wells for analysis of toxic plume don't constitute regulatory takings, court rules, NOV '96 p6

HILLSIDE DEVELOPMENT

Riverside County voters approve golf course associated with Ritz-Carlton hillside development, DEC '96 p10

HILLSIDE DEVELOPMENT

Union City voters approve Measure II which reaffirms city's decision not to permit urban development on hillside areas, DEC '96 p10

HISTORIC PRESERVATION

Los Angeles judge orders EIR must precede demolition of St. Vibiana's Cathedral, AUG '96 p8; p12

Preservationist group files suit against Long Beach Naval Shipyard conversion charging EIR failed to examine alternatives to destruction of 11 historic structures, NOV '96 p4

Ferndale's recovery from 1992 quake enhanced by community volunteerism, minimal city bureaucracy, and strong focus on historic preservation, DEC '96 p12

HOMELESSNESS

City of Santa Monica officials claim Malibu's new general plan will force homeless persons into their city, JAN '96 p2

Annual review of special unit permit (SUP) struck down although court allows occupancy limits for handicapped-homeless shelter, FEB '96 p5

Inspection of homeless environment by building department doesn't have to meet criminal search-and-seizure requirements, appellate court rules, JUL '96 p5

San Diego plan for Point Loma includes undetermined amount of market-rate housing, as well as at least 70 units for homeless and very-low-income persons, SEP '96 p4

See also *HOUSING*

HOMEOWNERS ASSOCIATIONS

Use of CC&Rs by these "private" municipal governments is supported by State Supreme Court ruling, JAN '96 p5

Sacramento neighborhood organization helps win rights to Union Pacific railyard; mixed-up development will include housing, transportation center, and limited railroad use, FEB '96 p12

State Supreme Court will hear property owner's suit against community association regarding negligence in CC&Rs, FEB '96 p7

City of Los Angeles can't prohibit loud noise from water courseway near condominium, even though Homeowners Association supports sound of rushing water, JUN '96 p7

HOUSING

City of Malibu approves deadline-driven general plan that won't provide affordable housing choices, JAN '96 p2

Los Angeles reaches accord with bank and neighbors on Vermont Avenue mixed-use project, JAN '96 p2

State construction industry doldrums don't line up with economic forecasts, JAN '96 p11

Annual review of special unit permit (SUP) struck down although court allows occupancy limits for handicapped-homeless shelter, FEB '96 p5

First-time buyers (FTBs) flock to housing market; housing now seen as home rather than as investment, FEB '96 p11

General information is good enough for reasonably foreseeable housing project, judge rules, FEB '96 p6

Republican State Assembly dumps Housing Committee chair Dan Hauser for former real estate broker and builder Phil Hawkins, FEB '96 p1

City of Los Angeles should have issued demolition permit in apartment complex conversion case, judge rules, MAR '96 p8

Senate Majority Leader Henry Mello is named as acting chairman of Senate Housing and Land Use Committee, MAR '96 p2

Simi Valley Unified School District finances new elementary school from proceeds of land and housing entitlements received from bankrupt developer, APR '96 p4

S.F.'s new mayor Willie Brown seeks job creation and stabilization while professing commitment to neighborhood preservation and affordable housing, MAY '96 p1

Cities may require installation of fire sprinklers in single-family homes, JUN '96 p6

Contaminated brownfield site in Portland (OR) receives BofA financing for conversion to mixed-use project with low- and moderate-income apartments, JUN '96 p10

Judge holds up distribution of low-income housing tax credits in challenge to Tax Credit Allocation Committee, JUN '96 p8

Sacramento County plans to double land available for low-income housing under settlement terms of Legal Aid Society lawsuit, JUN '96 p7

Court allows lower legal scrutiny standards for inspection of single-family residences by building department, JUL '96 p5

L.A.'s immigrant population forms new households and purchases homes at fractional rates of non-immigrants, AUG '96 p8

Cities must demand replacement of housing units in coastal zone, court rules, SEP '96 p6

City has right to impose owner-occupant requirement on second-unit properties, court of appeal rules, SEP '96 p6

New town of Mountain House plans for 16,000 dwelling units at build-out, with special affordable-housing arrangements, SEP '96 p10

San Diego plan for Point Loma includes undetermined amount of market-rate housing, as well as at least 70 units for homeless and very-low-income persons, SEP '96 p4

Base reuse uniform-procedure bill relaxes affordable housing setaside requirements, OCT '96 p10, DEC '96 sup p8

Bill by Rep. Phil Hawkins extends sunset provisions of redevelopment law dealing with replacement housing, OCT '96 p10, DEC '96 sup p9

Gov. Wilson vetoes bill by Sen. Mike Thompson for pilot program using state funds to help cops buy homes in City of Vallejo, OCT '96 p10

New bill permits Napa County to meet housing element requirements by using affordable housing funds to build units inside city, OCT '96 p10

New legislation permits cities and counties to count military housing as part of "fair share" of regional housing needs, OCT '96 p10

Mammoth Lakes voters reject measure to overturn general plan amendment permitting construction of affordable housing project on forested land in the center of town, DEC '96 p10

Placer County voters in Roseville reject proposal to limit urban housing densities, DEC '96 p10

San Francisco voters approve property-tax increase for affordable housing bond, DEC '96 p10

See also *HOMELESSNESS; RESIDENTIAL DEVELOPMENT*

HOUSING ELEMENT

City of Malibu approves deadline-driven general plan that critic's may challenge on housing element grounds, JAN '96 p2

Santa Monica rent control case swept up in furor of Ehrlich exactions ruling, APR '96 p6

"Landmark" Colorado River water deal between Las Vegas and Metropolitan Water District collapses under pressure from state governments, MAY '96 p3

Friends of the Los Angeles River threaten lawsuits over new concrete-barrier flood control plans after Los Angeles County breaks off regional negotiations in bad faith, JUN '96 p3

Loyola Marymount University appeals ruling requiring it to pay school fees to L.A. Unified School District even though university says there won't be more students or faculty, AUG '96 p5

Summary of growth measure results from November ballot, DEC '96 p10

MADERA

Developer Castle & Cooke Inc. works with Fresno State University to fashion a "designer" school district to help market a development project near Madera, AUG '96 p4

MARIN

National Park Service didn't need EIS to close GGNRA to mountain bikers, court rules, JUL '96 p7

Voters failed to provide needed two-thirds vote for sales tax hike for parks and open space, DEC '96 p10

MONTEREY

Fort Ord conversion success includes commercial leases at thriving Marina

Municipal Airport as well as expansion of Cal State Monterey Bay campus, JUL '96 p4

New legislation postpones deadline for housing element revision requirements, OCT '96 p10

Voters reject measure requiring voter approval for changes in agricultural land but turn down specific zoning change for Carmel Valley project, DEC '96 p10

NAPA

Voters reject ballot measure approving housing and golf course development, APR '96 p9; p10

Long-time LAFCO trooper Mike Gotch wins appointment as Alternate Public Member Position at Napa County LAFCO, SEP '96 p2, NOV '96 p12

New bill permits Napa County to meet housing element requirements by using affordable housing funds to build units inside city, OCT '96 p10, DEC '96 sup p5

NEVADA

State Supreme Court concludes that a non-conforming mine or quarry can expand to other areas, but leaves open the issue of vested rights, MAR '96 p5

ORANGE

Natural Communities Conservation Plan/Habitat Conservation Plan (NCCP/HCP) released for 39,000 acres of land owned largely by Irvine Co., JAN '96 p3

County opts for competitive development advantage in unincorporated areas, charging neither business-license fees nor utility user taxes, MAR '96 p9

Voters approve plan for commercialization of airport at El Toro Marine Air Base, APR '96 p9; p10

County approves Natural Communities Conservation Plan/Habitat Conservation Plan (NCCP/HCP) for 39,000 acres of land owned largely by Irvine Co., MAY '96 p3

Southern California Association of Governments blasts consultant's study supporting infeasibility of converting El Toro Marine Air Station to civilian use, MAY '95 p4

Controversial plans for commercial airport at El Toro Marine Air Corps station receive another setback in half-hearted appraisals by commercial aviation groups, JUL '96 p4

SLAPP provisions don't apply to private business disputes, appeals court rules, NOV '96 p7

The usefulness of having 18 water agencies in county is an issue following bankruptcy, NOV '96 p12

RIVERSIDE

County opts for competitive development advantage in unincorporated areas, charging neither business-license fees nor utility user taxes, MAR '96 p9

County adopts long-term conservation plan to protect Stephens kangaroo rat; state and federal governments both make concessions to ease adoption, APR '96 p3

Eagle Mountain Landfill in Riverside County upheld by Appellate Court; EIR is adequate for impact of materials recovery facilities (MRFs), APR '96 p7

Appellate court questions Fish & Game procedures on "take" of endangered Stephens kangaroo rat in Riverside County development, MAY '96 p5

Metropolitan Water District plans for Domenigoni Reservoir come under attack, MAY '96 p3

Summary of growth measure results from November ballot, DEC '96 p10

SACRAMENTO

County gives OK to Citrus Heights incorporation, MAR '96 p2

Mather Air Force Base reuse plans include outlandish theme park concepts as well as plans for world trade center; most likely to succeed is plan for retirement village adjacent to existing golf course, MAR '96 p4

SACRAMENTO

- McClellan Air Force Base moves toward privatization although other Air Force bases may not support conversion, MAR '96 p4.
- County plans to double land available for low-income housing under settlement terms of Legal Aid Society lawsuit, JUN '96 p7
- New legislation postpones deadline for housing element revision requirements, OCT '96 p10
- Calstart creates "business incubators" for electric vehicle research and development at McClellan Air Force Base, NOV '96 p4

SAN BERNARDINO

- City of Adelanto faces bankruptcy after costly litigation defeats to county and neighboring jurisdictions, JAN '96 p1
- County opts for competitive development advantage in unincorporated areas, charging neither business-license fees nor utility user taxes, MAR '96 p9
- Voters reject two measures affecting proposed Rail-Cycle landfill project near Barstow, APR '96 p9

SAN DIEGO

- San Diego County Water Authority signs MOU with Imperial Water District for transfer of "surplus" Colorado River water, FEB '96 p1; MAY '96 p3
- Voters reject initiative that would have limited development in La Costa Green Valley Crossing housing and open space project, APR '96 p9
- New legislation postpones deadline for housing element revision requirements, OCT '96 p10
- Boys and Girls Club of East San Diego County sells conservation credits to San Vicente Ranch land which it can't develop, NOV '96 p3
- Madura Mitigation Site is example of conservation banking program, NOV '96 p3
- Summary of growth measure results from November ballot, DEC '96 p10

SAN JOAQUIN

- Environmentalists and farmers square off against proposed Gold Rush City theme park in Lathrop's sphere of influence, AUG '96 p1
- Environmentalists sue under CEQA to block "new towns" of New Jerusalem and Riverbrook; Mountain House not a party to the action, AUG '96 p5
- Mountain House shapes up to be as good a new town as could be expected, SEP '96 p10
